State of Nevada  Health Division: Public Health and Clinical Services

Version Date: 3/11/2015

Description: These records document reviews of plans for the construction or remodeling (improvement) of individual residency sewage disposal systems that were not approved (See NRS 444.650 and NAC 444.750 to 444.8396). The record may contain, but is not limited to: Application; Plans and specifications; Test reports; Project reviews (including denial); Related correspondence.

Retention: Retain these records for a period of six (6) calendar years from the end of the calendar year in which they were denied.

Disposition: Destroy Securely

2008036  ISDS Residential Files: Withdrawn or Incomplete

Reviewed: 10/08/2008

Description: These records document reviews of plans for the construction or remodeling (improvement) of individual residency sewage disposal systems that were withdrawn or incomplete (See NRS 444.650 and NAC 444.750 to 444.8396). The record may contain but is not limited to: Application; Plans and specifications; Test reports; Project reviews; Related correspondence.

Retention: Retain these records for a period of one (1) calendar year from the end of the calendar year to which they pertain.

Disposition: Destroy Securely

2010012  Program Client Files

Reviewed: 04/14/2010

Description: These are records of clients referred to outside providers for service (See NRS 442.130 to 442.170 and NAC Chapter 442). The records may contain, but are not limited to: Application material; Financial eligibility documentation; Referrals for services; Copies of healthcare records received from outside sources (such as: physicians, hospitals, clinics, labs, etc.); Service authorizations; Related correspondence.

Retention: Retain these records for a period of three (3) calendar years from the date of receipt or production of the record.

Disposition: Destroy Securely

2015006  Program Medical Files (Youth)

Reviewed: 03/11/2015

Description: These files include the health care records of youth clients of the Maternal and Child Health programs (MCH) who receive health care services provided directly by licensed individuals of MCH (see NRS 442.130 to 442.170 and NAC Chapter 442, and NRS 629.031). The records may contain, but are not limited to: application material; financial eligibility documentation; healthcare records, including consultations, examinations, order, reports, notes evaluations and similar records, authorizations for services, related correspondence.

Retention: Retain until the individual attains the age of 23.

Disposition: Destroy Securely

2006005  Program Medical Files (Adult)

Reviewed: 04/14/2010

Description: These files include the health care records of adult clients of the Maternal and Child Health programs (MCH) who receive health care services provided directly by licensed individuals of MCH (See NRS 442.130 to 442.170 and NAC Chapter 442, and NRS 629.031). The records may contain, but are not limited to: Application material; Financial eligibility documentation; Healthcare records, including consultations, examinations, orders, reports, notes, evaluations and similar records; Authorizations for services; Related correspondence.

Retention: Retain 6 years from the date of last services.

Disposition: Destroy Securely
1990445  Sanitation Investigation Files
Reviewed: 10/08/2008

Retention: Retain these records for a period of three (3) calendar years from date of report.
Disposition: Destroy

2003094  Sewage and Water System Plan Reviews: RV Parks
Reviewed: 10/08/2008
Description: This records series is used to review plans for the construction or remodeling (improvement) of RV Parks that are within their jurisdiction (some county health departments have this responsibility). The files may include, but are not limited to: Plans, equipment specifications, etc.; Copies of permits; Copy of any EPA complaints; Letter of approval or denial; Related correspondence.
Retention: Retain these records for three (3) calendar years from the end of the calendar year in which the permit was approved or denied and not renewed.
Disposition: Destroy Securely

1990421  Statistics/ASTHO Report
Reviewed: 01/25/1991
Description: This record series documents the program activities of Maternal and Child Health in an annual statistical report. The report contains statistics on numbers of clients, types of services provided and various demographic information.
Retention: Retain these records for a period of five (5) calendar years from date of report.
Disposition: Permanent: Transfer to State Archives

2006023  WIC Client Case Files
Reviewed: 03/08/2006
Description: This records series contains the individual case files of clients of the Women, Infants & Children (WIC) nutrition program. The files may contain, but are not limited to: Application material; Social information; Eligibility documentation; Medical histories; Documentation of verbal communications; Fiscal material; Related correspondence.
Retention: Retain these records for a period of six (6) calendar years from date of final action.
Disposition: Destroy Securely

2006024  WIC Participant data base
Reviewed: 03/08/2006
Description: This record series consists of data on participants of the Women, Infants, and Children's (WIC) Nutrition Program. Data includes, but is not limited to: Name, address, social security number (SSN), etc.; Ethnic-racial and other social data; Financial data.
Retention: Retain data for a period of six (6) calendar years from the date the participant discontinued benefits.
Disposition: Destroy Securely

2006022  WIC Reports
Reviewed: 03/08/2006
Description: This record series consists of monthly, quarterly and annual reports on Women, Infant and Children WIC nutrition program functions. The files include: (a) financial and program status, participation reports, vendor activity, WIC budget, WIC Administrative Expenditure Report, Financial Status Report and (b) WIC State Plan, racial-ethnic participation report and related correspondence.
Retention: Retain annual reports for a period of six (6) calendar years from date of report. Retain quarterly and monthly reports until superseded by an annual report.
Disposition: Permanent: Transfer to State Archives
